

North Tahoe Family Resource Center

Volunteer Application

Mission and Vision:

The mission of the NTFRC is to be North Tahoe's central link between individuals and families, and the services and programs available to them. Regardless of ethnicity, socioeconomic status, or language, members of our community are provided with strength-based services to achieve their goals and resolve their conflicts. Our vision is to inform, engage, and empower community members with resources and support systems that will enable them to meet their needs and become self-sufficient.

Application:

Name: _____ Age: _____

Physical Address: _____

Mailing Address: _____

Home Phone: _____ Cell Phone: _____

Email Address: _____

Primary Language: _____

Are you bilingual in English and Spanish? Yes No

Why would you like to volunteer for the North Tahoe Family Resource Center?

Which of your skills and past experiences do you feel will be the most helpful in your work with the NTFRC?

The following describes our current volunteer opportunities:

- Storytime: We are looking for volunteers to read to children during the Project MANA food distributions on Wednesday afternoons from 2:20pm to 3:20pm. Volunteers for this position must be bilingual and feel comfortable working with children.
- Outreach: We are always looking for people to help us spread the word about our services and programs. Volunteers for this position can help by distributing our flyers and brochures around the community.
- Front Desk: We have several time slots available for volunteers to work at the front desk of Community House. Responsibilities of this position include answering phone calls for the NTFRC and partner agencies and greeting the community members who come to our site. Volunteers for this position must be bilingual and able to commit to a regular schedule of at least two hours a week.

How would you be interested in volunteering with us?

- Storytime
- Outreach
- Front Desk

What days and times are you available to work at the front desk?

- Other:

What service are you interested in providing?

How does this service align with the mission and vision of the NTFRC?
